EP!C Families, Guardians, and Advocates,

3-16-2020

This country is truly going through unprecedented life-altering changes. We look to communicate regularly as to how well we are handling these challenges and give you direction along with any additional information.

As of 3:00 Monday 3/16/20, we have no reported cases of staff or persons served with symptoms of concern. We continue to provide supports and services as usual.

Updated information:

- We received direction from Illinois Department of Human Services that all Day and Sheltered Workshop Programs must close until April 15th. Effective tomorrow (Tuesday 3/17/20), the Townline Facility will only be accessible to assigned Townline staff.
- All Individuals that attend EP!C need to stay home until at least April 15th.
- People who have community jobs are to report to work as usual.

Together we will get through these challenges. We continually look to provide safe and healthy work environments, and we need everyone's help.

Thank you for your cooperation and understanding,
Kim Cornwell, CEO
