EP!C Families, Guardians, and Advocates,

5-8-2020

This week went smoothly. I think we might be settling into our new norm. This is a good thing since there will be little change in our routine once the "Stay at Home" order has been lifted. We will still be wearing a mask for some time into the future, being aware of social distancing, along with our extensive sanitization of everything throughout each day. All of our residents are ready to see family and friends!

This last week around 20 of us paraded around Peoria and East Peoria in multiple vehicles, practicing social distancing, to thank our dedicated staff and see our residents. We had a great time honking our horns, cheering, and dancing in the streets to show our appreciation of our essential frontline workforce. Watch our social media stories to see the action and be on the lookout for a video at a later date.

Based on the Governor's Five-Phase Plan "Restore Illinois," EP!C is developing how we will support the people we serve, including our friends that live at home or with other agencies, re-enter the world around them, including Townline and their community at large. Closer to the end of the month, I will include our reopening plans.

I am pleased and thankful I have no new positive case to report this week.

When you have the opportunity, please thank our dedicated frontline staff.

Remember at any time you have questions please feel free to call or email:
