EP!C Families, Guardians, and Advocates,

6-12-2020

We have come to the end of another week without any reported case of COVID-19. As our communities open up, we will continue to focus on keeping our environments safe, and our staff focused on the COVID protocols and preventive procedures EP!C has had in place since March.

I am pleased to report EP!C's virtual fundraising event, Bon Appétit went very well last night. We are the first not-for-profit in our area to do a virtual fundraiser. EP!C is thankful to our corporate sponsors, and business partners who believe in our mission and continue to invest in EP!C. If you were unable to join us Thursday evening, you can watch the full broadcast later next week. We will host it on our website and share it on our social media.

The Director of the Department of Human Services sent a memo Tuesday 6/9/20 stating the closure of Community Day Services is extended once again, this time to August 31st. EP!C, like other providers, was very disappointed since we have prepared our program for a July 6th opening. Our Reopening working groups will continue to put in place the plans they have developed to safely begin services on a limited base once we received DHS's approval

In the meantime, we will be filming lesson plans and activities that will be available on YouTube. Using a Zoom link, we will offer live lessons and activities, and we are working with Google to use Google classroom. Everyone will get paper copies and a schedule of the live or prerecorded lessons to begin in July.

Remember at any time you have questions please feel free to call or email:
