### **ACTION ALERT: GUIDING PRINCIPALS FOR HEATH AND HUMAN SERVICES.**

A large portion of how we operate is determined by the Government and while EPIC can't lobby we most certainly can advocate and we feel it's our duty to educate our individuals, Families, Guardians, Staff and Supporters on how these decisions affect them. There is currently a bill being presented to the Illinois House of Representatives that require Action on your behalf.

**HB - HR0181** – Health and Human Services Budget - The pandemic greatly publicized the crucial nature of HHS organizations. We are asking for your help in voicing PROPOSITION to this. **(See Bill Status of HR0181)**

The State fiscal year 2022 health and human services budget should ensure that people and communities have access to essential services, including services that address the social determinants of health, economic support, and family well-being.

The House Appropriations - Human Services Committee meets at 8AM on May 6th 2021 to consider. Public support is needed. To fill out a witness slip click [here](#).

Fill out the information, choose EPIC to represent and select PROPONENT (or in favor of).

*Thank you on behalf of EPIC Individuals and Staff.*
