# Celebrate Diwali with Us!

On Saturday, October 14, 2023 an event celebrating Diwali will be held unlike the community has ever seen. Also known as the festival of lights, Diwali celebrates the triumph of light over darkness, good over evil, and the human ability to overcome.

The evening will be held at Five Points in Washington, IL and will be comprised of a special performance from the extremely talented PJ Dance Academy and will conclude with a gala dinner.

EP!C is a light in the community for so many families and we felt compelled to help continue their spark. Proceeds from the event will directly benefit their mission.

We appreciate your generous contributions in support of expressing this cultural display and experience for the community while giving back to those with cognitive differences.
